

Rep. Gott Lauded For Stand Vs. Increased Bank Taxes

Rep. Hollis M. Gott, counsel for the Massachusetts Savings Banks Association recently lauded Representative Hollis M. Gott, for his work in helping kill Governor Dever's proposal to levy additional taxes on the savings banks of Massachusetts.

In a letter received from Rutherford E. Smith, counsel for the banking association, the latter expressed its appreciation of the fight waged on behalf of the banks by Rep. Gott. The text of the letter of appreciation, is as follows:

"As counsel for the Savings Banks Association, I want you to know how much I appreciate the valiant services which you rendered during the past five months, in preventing any additional taxes being levied on our savings banks. Without your splendid cooperation and assistance, the final results of this legislation could never have been attained.

"I am sure all of our savings bank men, as well as our depositors all over our Commonwealth, are deeply indebted to you, and they appreciate all that you have done, not only this year, but in previous years in protecting their interests."

The John Henry Sheas Observe Anniversary

Mr. and Mrs. John Henry Shea, were host and hostess to many of their relatives and friends at their home on Lombard Terrace on Thursday, August 18th, on the occasion of the party set to celebrate their Silver Wedding Anniversary.

The home was the scene of this memorable event in the lives of the couple, as they greeted many guests who were present at their nuptial mass held 25 years ago in St. Clement's Church, Somerville.

Amongst those present were Michael J. Kelly, father of Mrs. Shea, who is well known by the older generation of this town, and also her brother, Fr. John H. Kelly

S. J. now of the faculty at the College of the Holy Cross, Worcester, Mass.

Assisting Mr. and Mrs. Shea at the reception were their six children, John H. Jr., Mary Louise, Frances Ann, Paul, Kathleen and Josephine, together with their son in law, Christopher S. Mitchell and his two children Stephen and Mary Louise.

Mr. and Mrs. Shea have resided in Arlington for 24 years and both have taken an active part in the progress of the town's affairs.

The couple were the recipients of many gifts of silver to commemorate their silver anniversary, previous to the cutting and distributing of the silver wedding cake.

"Foot Faults Can Be Fatal"

Warns Chief Archie Bullock

Chief Archie F. Bullock, Arlington Police Department in a statement today, calls attention to the above by saying, "If you find any of your faults listed below, now is the time to eliminate them, before tomorrow's pedestrian deaths are counted."

FAULTS THAT KILL

1. Failure of pedestrians to take traffic signals seriously.
2. Failure to stop and look before crossing street.
3. Crossing in mid-block, instead of at corner crosswalks.
4. Stepping into the street from between parked cars.
5. Jay-walking, loitering or playing in street.

6. Walking on the right side of road, where traffic comes from behind, instead of on the left, facing traffic.

FAULTS AFTER DARK

When Most Pedestrian Deaths Occur

1. Failure to realize the driver's visibility is limited.
2. Failure to wear light-colored clothes or to carry a light when walking on highways.
3. Excessive Drinking.

Chief Bullock concluded with this warning, "Do not underestimate these faults, they have proved fatal to others."

New Veterans Project Opening Date Sept. 15

The new apartment housing project now under construction by the Moore Realty Corporation off Broadway, Arlington, is scheduled for occupancy of the first of its 116 apartments, on or about September 15th.

The project, the largest ever undertaken in the town of Arlington, will provide apartments for a total of 2542 families. With over one hundred men employed on the work, rapid progress is being made and ten of the brick apartment buildings have already been completed, while six others are already under construction.

It is hoped that the first families

may be able to move in about September 15th, according to George DeVries, president of the De Vries Construction Company.

Play areas and automobile parking facilities will be embodied in the development. A large dwelling house which faces on Broadway, will be razed to make way for the additional new buildings, according to a recent statement made by the Moore Realty Corporation.

ANNOUNCE LOW BIDDERS

The Board of Park Commissions of the town of Arlington recently announced the low bidders on the contract to install heating at 61 Eastern Avenue, Arlington. Louis Stella, of this town, was the lowest bidder of \$1,942.77; Robert M. Glover, of Cambridge, was second lowest, with a figure of \$1,068, and Robert C. Spence of Arlington, was third, with a bid of \$2,195.

Appointed To Retirement Bd.

Harold A. Cahalin, 63 Winchester Road, Arlington, was appointed a member of the Contributory Retirement Board, by the Board of Selectmen, at their meeting on Monday evening, for a term of three years, beginning September first. Mr. Cahalin is a former member of the Arlington Board of Selectmen and has served as a member of this Board since its inception.

MERCHANTS PLAN SALES EVENT FOR OCT.

Following recent meetings held by a group of local merchants with members of the Arlington Chamber of Commerce, plans were made to hold Bargain Day Sales event to take place on October 6, 7, and 8.

"Going To The Fair?"

Anne Marie Haley of Newtonville is having quite a time making up her mind as to just which of the multitude of fairs she will enter her potential "blue-ribbon-winners" - "Bossy", the cow; and "Sugar", a trained pony. Anne has some help, however, from a booklet just published by the Information and Research Department of the Boston Chamber of Commerce which lists all of the New England Agricultural Fairs for the coming fair season.

GARDEN CLUB NEEDS FLOWERS

This summer as in the past several years, the Arlington Garden Club sends a flower-filled hamper to the Fruit and Flower Mission every Tuesday morning.

Donations of fruit, flowers or slips from house plants, coleus, begonias, geraniums, etc., are collected on Mondays, conditioned and packed in the hamper at the Arlington railway station and sent by train to Boston.

Arlington residents wishing to make contributions may call the chairman, Mrs. M. J. Abizaid, at AR 5-0263-R, or Mrs. E. S. Greiner at AR 5-4647-J.

At this season of the year, and due to the drought, the gardens have fewer blooms, therefore donations, even a few, would be very much appreciated.

Arlington Public Schools To Open Wednesday, September 7

Supt. Of Schools Hall Announces Ambitious Program For Season

Arlington Man Robbed Of \$110.

Two men, both armed, on Friday night, held up a Jamaica Plain liquor store owner, in the driveway of his home in Arlington, and escaped with \$110.

Leonard Lynch, 50, of 10 Brattle street, told police he was putting his car away about eleven, after returning home from his store, when the two men sprang out of the darkness. Flourishing a gun, one of them said—"Give us the dough! We know you have it."

Lynch said he handed them his wallet. The pair ran up the street to Massachusetts avenue, where a car, with a companion, was waiting. They drove off toward East Arlington and Cambridge, he said.

Police believe that the holdup men followed Lynch home from the store, waiting for an opportune moment for the robbery.

The victim described the men as being in their middle thirties, about the same height, between five seven and five nine, one weighing about 160 pounds and the other 180.

No clue has been found to the whereabouts or identity of the pair.

In releasing for publication through the columns of THE ARLINGTON PRESS the announcement that all the public schools of Arlington will open for the fall and winter season of 1949-1950, Superintendent Clifford R. Hall states that a most ambitious and attractive program has been planned for the coming months in both sports and educational activities.

At the Junior High schools, the one-session policy will now become a permanent fixture, beginning on September 7th. This schedule was given a try-out during the past winter months, as a rugged winter similar to that of 1948-1949 was anticipated, but did not develop. The one-session policy now becomes a permanent policy at the Junior High schools.

At the elementary schools, also, the one-session term will be inaugurated, starting about Christmas time and continuing throughout the winter months.

Superintendent Hall is looking forward to a very ambitious program under the leadership of the new director of Physical Education and Health, Mr. Russell P. Peterson, widely known coach and physical instructor at Boston University, who will assume his new duties with the opening of the school session in September.

Director Peterson, it is expected, will develop for the schools of Arlington an extensive and ambitious calendar of sports, physical education and health activities. It is also anticipated that intra-mural participation in the various sports will be inaugurated this fall under Mr. Peterson's direction. This will be an important addition to the new program as laid out by the new system and is something to which students, faculty and parents have long looked forward to.

The Fall sessions will be as follows:

Senior High School
8:15 A.M. to 1:45 P.M.
Junior High Schools
8:30 A.M. to 2:30 P.M.
(Note change to one-session)
(Pupils should bring lunch)
Jr. High Industrial Arts
8:00 A.M. to 12:30 P.M.
Elementary Schools
9:00 A.M. to 12:00 noon
and 1:30 P.M. to 3:30 P.M.
Kindergartens
(morning group) 9 A.M.-11:30
(afternoon) 1:30 P.M.-3:30
Senior High school seniors and juniors should report on the opening day at 8:15 o'clock in their homerooms in the old building; sophomores should report at 8:15
(Continued on page four)

NEW PHYSICAL HEALTH AND EDUCATION DIRECTOR NAMED

The Arlington School Committee at a special meeting held on Tuesday evening, August 16, appointed Russell E. Peterson, 41, as director of physical education and health for the town of Arlington, to fill a position which had remained open during the past school year.

Mr. Peterson, an assistant professor of physical education and athletic coach at Boston University, will begin his new duties in the Arlington schools on Tuesday, August 30th.

The new director plans to develop a general program in physical health and education for boys from the seventh grade through the high school years, and plans later on in the season to inaugurate a Saturday morning program for boys in the fifth and sixth grades.

The position of director of physical education is the one filled by the late Fred Ostergren, following his relinquishment of the post of

high school football coach. George Fusco succeeded Mr. Ostergren at the time, the former being still on the teaching staff at the Arlington high school. Mr. Fusco, however, resigned from the position of physical education director, at his own request, after having served in this capacity for more than a year. The position then remained open until the recent action by the school committee.

Chief Bullock Issues Appeal For Children's Medical Center

Announcing that the Massachusetts Mayor's Associations and the Police Chiefs of Massachusetts coin box campaign to aid in the development of the Children's Medical Center, was designed to speed the day when childhood diseases would be conquered, Chief Archie F. Bullock has issued an appeal to all citizens of the community to "contribute generously" to the humanitarian cause.

Citing the great need for funds for the Boston Children's Hospital to expand its facilities with a great new modern Children's Medical Center to provide proper care for voted exclusively to children.

"That hospital is the Boston children in every section of the state and nation, Chief Bullock said:

"It is part of the American tradition that every child born in this land shall have a chance to make the most of his inborn ability. Part of that chance is denied a child who is allowed to grow up needlessly deformed, impaired in health or otherwise handicapped.

"New England has many fine Children's Hospital, known the world over for its services performed for children.

"When a child fails to respond to treatment in local hospitals, when local doctors are puzzled or a complicated operation is needed to save life, the child is usually referred to the group of special-

SEVEN POLIO CASES REPORTED HERE

The Arlington Board of Health states that there are up to the present time seven cases of polio reported in the town. The Board also states that this is a normal number for this area for the time of year.

Arlingtonians are fortunate in this respect, as conditions here in Arlington so far have given no cause for undue alarm, although other areas throughout the country have been much harder hit.

TO REPRESENT BOYS' CLUB AT N. E. BOYS' CLUB MEET

The executive director of the Arlington Boys' Club, James Sumner, and James Mahoney, Donald and Richard Galvin and Charles and Paul Caniff, all members of the Arlington club, will represent the town of Arlington at the first New England Boys' Club assembly,

to be held in Springfield the week-end of August 27 and 28.

The Springfield Boys' Club under the direction of Executive Director, Paul Samson, will act as South End Boys' Club under the direction of Rocco Dattola.

THERE IS NO SANTA CLAUS—CONSIDER THESE FACTS

Federal dollars are collected from you and me, over a thousand dollars a year from each American family.

Thirty-three percent of our income is taken from taxes, 11 percent for direct taxes such as income tax and 22 percent for the hidden taxes.

53 separate taxes in a loaf of bread.
127 in a roast of beef.
154 in a bar of soap.

201 in a gallon of gas.
502 in a pair of shoes.

When you buy a pack of cigarettes the tobacco man gets 7c, the rest goes for taxes.

Isn't it about time to put on the brakes and stop the tax-spending joy ride?

Did you know that Comrade Lenin once said "Some day we will force the United States to spend itself to destruction."

Don't be kidded by promises of too much security.

An American named Benjamin Franklin warned "He who trades Freedom for security will lose both."

QUESTION: What can you do about it?

ANSWER: Write your Congressman today and tell him to vote for each Hoover recommendation as fast as the measure comes up.

Consider New Proposal For Rubbish Disposal

The Public Works Department is considering a proposal for the removal of rubbish for a period of thirty days to an area which will be available for the purpose without expense to the town of Arlington. The plan will enable complete use of the dumping area which they are now using.

The Public Works Department is asking the public to cooperate in order to make the plan successful, by separating their rubbish in accordance with the customary practice, tying newspapers, cardboard, magazines, etc., in bundles similar to the methods used during paper drives and by doing everything possible to segregate the various materials which are to be removed. The plan is an attempt to prolong the present dump

ing areas and is considered by the Board to be well worthy of a try-out.

A. Y. A. VS. QUINCY POLICE BOYS' CLUB

Sunday afternoon at the Reservoir Field, the Red Sox edged out a 4 to 3 win over the Quincy Police Boys' Club behind the superb pitching of Neal Corbett and fine catching defensively by Paul Balafer. Balafer spilled Jerry Cobb who was hit on the back of the head by a pitched ball last Saturday night.

The batting stars for the Red Sox were Ronnie Trenholm with 2 singles and a double, Paul Collins with 2 singles, Paul Leonard with 2 hits, Neal Corbett with a single and a double and Ed Szymanski with a long home run to left field. There was a large crowd in attendance to root the boys to victory.

The Red Sox lost to this team last week by a score of 7 to 1.

UNIVERSITY THEATRE

Romance and mystery and action are featured in "The Big Steal", which starts Sunday at the University Theatre. Robert Mitchum, Jane Greer and William Bendix are starred with much of the picture filmed in Mexico as the locale of the story. The melodramatic offering deals with the theft of a U.S. Army payroll and the efforts of a discredited officer, played by Mitchum, to recover the money when he learns the thief has fled across the border.

"Colorado Territory", the widely heralded western is the companion film. Starring Joel McCrea and Virginia Mayo, "Colorado Territory" is the story of the outlaw Wes McQueen who was hunted down by the law in the wild six-gun days around Durango, Colorado, some eighty years ago.

On Wednesday, Review Day, the program includes Victor McLaglen in "The Informer" and "My Man Godfrey" costarring William Powell and Carol Lombard.

"House of Strangers", a taut, gripping melodrama, with an all-star cast headed by Edward G. Robinson, Susan Hayward and Richard Conte and New York's steaming Little Italy as a background, starts Thursday.

Starring beauteous Alexis Smith and suave Zachary Scott, "One Last Fling", the associate film, is a madcap comedy about a young business couple and the tribulations of their marriage.

NEW ENGLAND... the PLACE TO LIVE AND WORK

Party Manners for pleasant party lines

It pays to be poised. Party line neighbors are quick to respond to those who are calm and collected when they ask for the line in an emergency. By sharing courteously, everyone benefits... and party line service is smooth.

It's good to be gracious. When a series of calls must be made, it's nice to remember the others on the line by allowing time between calls. This, too, helps give all party line neighbors their fair share of service.

A NOTE to all party line users

As a general thing, party line service is good enough to meet the requirements of most party line users.

Right now, however, many people who would normally have individual service are on party lines — because this is the only way in which we could supply telephones to the thousands who have asked for new service in the past three years.

Until the time comes when we can provide everybody with the exact grade of service desired, won't you remember that party line service is largely what you make it. We'll do our best to handle your calls smoothly and efficiently. But, in the long run, the quality of party line service depends a great deal on how it's used.

NEW ENGLAND TELEPHONE & TELEGRAPH CO.

It's polite to be prompt. Answering the telephone as quickly as possible shows consideration for the person who is calling. Telephoning at "off peak" hours — in the middle of the day, or evenings after 8 — is also appreciated.

Schools . .

o'clock in the new high school auditorium.

Pupils who are transferring to the High School from out of town should plan to register at the High School with the record of their work done in other schools, on Thursday morning, September 1, or Friday morning, September 2. However, it is advisable that prior to this registration they meet with one of the Counselors in the Guidance Office as soon as possible. Appointments may be made by phoning Arlington 5-5800, Extension 26.

High School pupils who must make changes in their programs should also telephone for appointments prior to September 7. Evening appointments may be made now for pupils and parents who are employed during the day.

Junior High School Center and

Junior High School West eighth and ninth grade pupils should report in their homerooms, and seventh grade pupils in the assembly hall at 8:30 o'clock.

Junior High School East eighth and ninth grade pupils should report in their last year's homerooms. Seventh grade pupils and those entering from out of town should report to the school library which is on the top floor.

All new junior high school pupils who have moved to Arlington during the summer are requested to register at the various junior high school buildings on September 1 or 2.

Elementary school pupils will report in their homerooms. Beginners will be directed upon arrival to their proper rooms by the kindergarten and first grade teachers. Children entering from out of town and other new pupils will apply to the principal for assignment.

The requirements for admission are as follows:

Children entering kindergarten must have reached the age of 4 not later than the preceding January 31st. Children who have reached the age of 4 years not later than March 31st may enter kindergarten provided they have a mental age of 5 years at time of admission in September, as shown by an intelligence test.

Children entering Grade I must have reached the age of 5 not later than the preceding January 31st. Children who have reached the age of 5 years not later than March 31st may enter Grade I provided they have a mental age of 6 years at time of admission in September, as shown by an intelligence test.

Pupils requesting admission to Grade II for the first time will be tested for proper placement.

All beginners should bring birth certificates showing proof of age and certificate showing successful vaccination or legal equivalent. Those entering school for the first time, except kindergartens, may enroll during September, but not later than Monday, October 3.

All pupils should enroll on the opening day or as soon thereafter as possible to be assured of proper assignment and seating and to avoid loss of work.

No-School Signals
The plan for announcing no sessions on stormy day will be the same as heretofore.

The no-school signal, 2-2 sounded four times, if sounded at 7:15 a.m. means no session for the senior high school; if sounded at 7:45 a.m. no session for the junior high schools. If the signal is sounded at

8:15 a.m., there will be no session in the elementary schools. The signal sounded at 12:30 p.m., indicates no afternoon session in the elementary schools.

Announcements will also be given by radio from Station WNAC between 7:00 and 8:00 in the morning and between 12:00 and 12:30 in the afternoon. In many cases, decision cannot be made in time to notify WNAC. Accordingly, if no radio announcement is given, parents and pupils are advised to listen for the local no school signals.

It is the policy of the School Department to close school only on very stormy days; and in cases of doubt as to weather conditions, to keep regular sessions. Parents are urged therefore, when schools are open on stormy days, to exercise their personal judgement as to the wisdom of sending their children to school. No pupil so kept at home by parents will suffer any censure or penalty whatever.

Medical Center.

ists at the Boston Children's Hospital.

"The fine spirit of teamwork that moves the present staff of specialists at the Boston Children's Hospital is known the world over. The guiding spirit is 'No disease shall be considered incurable.' Today, tomorrow or the next day, the right answer may be found.

"Wherever you see a coin box, the replica of the proposed medical center, drop a coin in it now and then. The war against children's diseases cannot be won without your help.

"What may seem like small change to you, may be the means of making a big change in the life of some poor crippled child."

Jurors Appointed

At the Monday evening meeting of the Arlington Board of Selectmen, the following men were appointed to serve as jurors.

First Civil session at Cambridge, October 3rd, William J. Kiley, 24 Gardner Street, Arlington; Second Civil session at Cambridge, October 3rd, Harry B. Campbell, of 82 Rhinecliff Street, Arlington.

Meeting Of Spy Pond Rod And Reel Ass'n Draws Large Crowd

The first meeting of the newly formed Spy Pond & Reel Association was held Wednesday, August 17th, at the Robbins Junior Library Hall. President John McGinn, presided.

The president read an inspiring message from Ted Williams, popular Red Sox player, who is a member of the organization. Ted sent the message as he was unable to attend the meeting because the Red Sox were playing out of town.

The speaker of the evening was Representative Henry E. Keenan, who gave interesting historical pictures linking the Alewife Brook, Mystic River, Mystic Lakes and Spy Pond. His discussion of the Alewife Brook Project was most informative particularly in reference to py Pond. During the discussion period following his talk, Rep. Keenan, as a member of the organization, extended many helpful suggestions as to how the association can best attain its goal of the betterment of Spy Pond and its promotion as a recreational center.

Discussion among the association members emphasized the need to eliminate the health hazard from

the hordes of rats which infest the ilk's Pit section of the Pond, and the need to keep the shoreline free of the rubbish which is accumulating and causing hazardous conditions for fishing and bathing. Town authorities will be asked for permission and cooperation in a volunteer "clean-up" campaign proposed by members of the association.

Much interest is being aroused by the formation of this group

and it is hoped that the future will show much has been accomplished for the betterment of Arlington and Spy Pond by the example of the association and its efforts.

U.S. ROYALS

The greatest driving pleasure and safety in the history of tires

We've got them now at big savings! Those bigger, softer, easier-steering U. S. Royals you've been hearing so much about! More and more of the new cars are putting them on. Don't miss this chance to get their amazing extra comfort — and save money at the same time.

HURRY IN TODAY!
LIMITED SUPPLY!
LIMITED TIME!

UP TO \$9³² EACH FOR YOUR OLD TIRES

FOR CHEVROLET, FORD, AND PLYMOUTH
(larger cars proportionately more on WSW Royal Master)

COMPARE THESE ADVANTAGES WITH ANY OTHER TIRES YOU HAVE EVER USED

1. The tires that perform with more air and less air pressure.
2. The only tires of low air pressure with especially designed tread for easier steering.
3. The tires that absorb the road they travel on.
4. The tires that fully cushion every shock and road strain.
5. The tires that radically influenced modern automotive engineering.
6. The tires that have been copied and imitated but neither equalled or duplicated.
7. The tires without any excess rubber—run cooler and, therefore, wear much longer.
8. The tires that make old cars feel like new.
9. The tires that outsell because they deserve to outsell.
10. The tires that pay for themselves in pleasure, protection and long wear.
11. FIRST CHOICE FOR THE FINEST OF THE NEW CARS.
